CERTIFICATE OF QUALIFIED PERSON

TO: British Columbia Securities Commission (BCSC)
Alberta Securities Commission (ASC)
The TSX Venture Exchange (TSXV)

Dear Sirs / Mesdames:

Re: Central Iron Ore Limited – Public Filing of Technical Report

I, Andrew Bewsher, as author of “NI43-101 Technical Report South Darlot Gold Project Western Australia”, prepared for Central Iron Ore Limited and dated 31st August 2022, do hereby certify that:

1. I am an independent Consulting Geologist and Director of BM Geological Services Pty Ltd, 123a Colin Street West Perth, WA 6005, Australia.
2. I graduated with a BSc degree in geology from Auckland University New Zealand in 1996.
3. I am a Member of the Australian Institute of Geoscientists (AIG No. 2945).
4. I have worked as a geologist for a total of 26 years since my graduation from university.
5. I have worked in the mining and exploration industry in various commodities including gold, nickel and on iron ore deposits. I have been involved in mines and projects throughout Australia and Asia for a range of junior to large multinational mining companies. This experience has included mineral exploration, mining geology, resource estimation and management roles.
6. I have read the definition of "Qualified Person" set out in National Instrument 43-101 (NI43-101) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a "Qualified Person" for the purposes of NI 43-101.
7. I have visited the South Darlot Gold Project deposit on one occasion, the 12th of July 2021.
8. I am responsible for authoring the entire technical report.
9. I have read NI 43-101 and Form 43-101F1 (the “Form”) and the Report has been prepared in compliance with the NI 43-101 and Form 43-101F1.
10. I am independent of Central Iron Ore Limited applying the test set out in Section 1.5 of the NI 43-101.

11. I do not have nor do I expect to receive a direct or indirect interest in Central Iron Ore Limited and I do not beneficially own, directly or indirectly, any securities of Central Iron Ore Mining Limited; or any associate or affiliate of the company. I am independent of Central Iron Ore Limited.

12. To the best of my knowledge, information and belief, as of the date of this report, the report contains all scientific and technical information that is required to be disclosed to ensure the report is not misleading.
